

- Answer only 4 questions in each sector, each question not exceed 1 page with writing in all lines.
- Unnecessary answer will be ignored.
- 9 marks are allocated for each questions.

Sector A

- 1) Give an account on the fluid therapy of a major burn 30% surface area in a patient weighting 80 Kg.
- 2) Give an account on clinical picture & treatment of hyponatraemia.
- 3) Give an account on indications & complications of blood transfusion.
- 4) D.D of tetanus.
- 5) Give an account on management of carbuncle.

Sector B

- 1) Give an account on pulp space infection.
- 2) D.D of basal cell carcinoma of the face.
- 3) Give an account on management of pulmonary embolism.
- 4) Give an account on clinical picture of acute arterial occlusion.
- 5) Give an account on complication of aneurysm.

Sector C

- 1) Give an account on clinical picture and treatment of tuberculous lymph node in the neck.
- 2) Give an account on management of middle meningeal artery injury
- 3) Give an account on spina bifida.
- 4) Give an account on clinical picture of median nerve injury.
- 5) Give an account on ranula.

Sector D

- 1) D.D of ulcers of the tongue.

حوادث أبوجول

يا حبيبتى دول عيال شطوطه ما بظهرش حاجه... أبسطها إصباح واحد معانا فى الشرکه جاي يقول لى، قال ايه لحد يالك من أسلوبيك فى التعامل مع الأضياف اللي يشغلوا معانا... ده واحد يعقد مش رؤش عمره ما صاحب قبل كده، وعاوز يطلع عقده على اللي حواليا.

فى كل شرکه أو غيره فى مصرنا الحبيب، يوجد واحد أو أكثر "أبو جهل" عايش فى دور الإسلام المستور، ومشي عتاج ان أى حد يكلمه لأنه لول من بطن أنه عبقريته فى كل حاجة بذات موضوع الدين ده.

WWW.FORISLAM.COM

- 2) Enumerate masses in the side of the neck and describe the clinical picture of one of them.
- 3) Give an account on clinical picture of malignant parotid tumor.
- 4) Give an account on management of solitary thyroid nodule.
- 5) Give an account on complication of nodular goiter.

Sector E

- 1) Give an account on clinical picture and treatment of acute breast abscess.
- 2) D.D of discharge from the nipple.
- 3) Give an account on clinical picture of schirous carcinoma of the breast
- 4) Give an account on clinical picture and treatment of fracture rib.
- 5) Give an account on management of haemothorax.

- Answer only 4 questions in each sector, each question not exceed 1 page with writing in all lines.
- Unnecessary answer will be ignored.
- 9 marks are allocated for each questions.

Sector A

- 1) Clinical picture and investigation of achalasia of the cardia.
- 2) Enumerate complication of peptic ulcer and give clinical picture of one of them.
- 3) Enumerate complication of acute appendicitis and give clinical picture of one of them.
- 4) Enumerate complication of oblique inguinal hernia and give clinical picture of one of them.
- 5) Enumerate complication of acute cholecystitis and give clinical picture of one of them.

Sector B

- 1) Give an account on clinical picture and investigation of hirschsprung disease.
- 2) Give an account on clinical picture of left side cancer colon.
- 3) Differentiate between simple & strangulated intestinal obstruction.
- 4) Give an account on clinical picture of intussusception in infant.
- 5) Give an account on complications of haemorrhoidectomy.

Sector C

- 1) Differentiate between hemolytic, hepatocellular and obstructive jaundice.
- 2) Clinical picture and investigation of acute pancreatitis.
- 3) Clinical picture of rupture spleen.
- 4) Anatomy of right kidney.
- 5) Anatomy of inguinal canal.

قال عمر بن الخطاب رضي الله عنه: لا تغرّبكم طنطنة الرجل بالليل - يعني صلاته - فإن الرجل - كل الرجل - من أدى الأمانة إلى من أتمنّه، ومن سبّ المسلمون من لسانه ويده.

صدق السرة لطف غضب الرب " صديق الباهة "

Sector D

- 1) Management of renal colic due to stone in lower 1/3 of ureter.
- 2) Clinical picture and investigation of hydronephrosis.
- 3) Clinical picture of Wilms tumor.
- 4) D.D of mass in spermatic cord.
- 5) Clinical picture and investigation of senile enlargement of prostate.

Sector E

- 1) Complication of supracondylar fracture of the humerus.
- 2) Clinical picture and complication of Colle's fracture.
- 3) Types of Pott's fracture and describe one of them.
- 4) Diagnosis of osteomyelitis.
- 5) Clinical picture of osteosarcoma of the femur.

عن أنس بن مالك رضي الله عنه

أسرة الفجر

روى عن رسول الله (ص) أنه رأى في المنام رزية عن نصر يوم مجزاه نهر، وعلى النهر إحدى الجوار العين فلما سأل في هذا القصر: قيل له القصر من الخطاب.. فقال الرسول للما تذكرت غيرة نهر، وليست عارياً ولم أغضب! أي أنه غش بصره في الرزية عن مجزاه نهر من الخطاب لغيره بغيره نهر

اللهم اجعلنا كغير من الخطاب ولا نجعلنا كغيره من

الإيمان بضع وستون شعبية والحياء شعبية من الإيمان

- Answer only 4 questions in each sector , each question not exceed 1 page with writing in all lines .
- Unnecessary answer will be ignored .
- 9 marks are allocated for each questions .

Sector A

- 1) Give an account on factors affecting wound healing .
- 2) Give an account on disseminated intravascular coagulopathy .
- 3) Enumerate types of shock and discuss clinical picture of one of them.
- 4) Give an account on crush syndrome .
- 5) Give an account on general treatment of burn .

Sector B

- 1) Give an account on parenteral hyperalimentation .
- 2) Give an account on pyaemia .
- 3) Give an account on senile gangrene .
- 4) Give an account on general principles of treatment of hand infection.
- 5) Give an account on Raynaud's disease .

Sector C

- 1) Give an account on pathology and clinical picture of malignant melanoma .
- 2) Give an account on types of skin flaps .
- 3) Give an account on indications and contraindications of liver transplantation .
- 4) Give an account on clinical picture of fracture base of the skull .
- 5) Give an account on encephalocele .

إن الغربيين لن يشعروا بالرضا حتى يجبروا الدول الأخرى على تبني
طريقهم في الحياة .. إن فكرة أن الدولة لا بد أن تتغرب بمعنى أن
تتبني الأفكار والقيم والنظم الغربية لكي تصبح متحضرة فكرة تشير
الضحك والسخرية

Paper 2

- Answer only 4 questions in each sector, each question not exceed 1 page with writing in all lines.
- Unnecessary answer will be ignored.
- 9 marks are allocated for each questions.

Sector A

- 1) Give an account on causes, clinical picture, investigations and treatment of oesophageal perforation.
- 2) Give an account on anatomy of the stomach.
- 3) Give an account on dumping syndrome.
- 4) Give an account on anatomy of gall bladder.
- 5) Give an account on pathology of cancer stomach.

Sector B

- 1) Give an account on cysts of the liver.
- 2) Give an account on investigations of case of jaundice.
- 3) Give an account on clinical picture and diagnosis of cancer head of pancreas.
- 4) Give an account on clinical picture of compensated splenomegaly.
- 5) Give an account on congenital pyloric stenosis.

Sector C

- 1) Enumerate complications of acute appendicitis and discuss one of them
- 2) Give an account on acute anorectal suppuration.
- 3) Give an account on clinical picture of carcinoma of the right side of the colon.
- 4) Enumerate causes of intestinal obstruction in childhood and give an account on clinical picture of one of them.
- 5) Give an account on clinical picture and treatment of pelvic abscess.

Sector D

- 1) Give an account on desmoid tumor.
- 2) Give an account on differential diagnosis of oblique inguinal hernia.
- 3) Give an account on clinical picture and investigations of pyonephrosis.
- 4) Give an account on clinical picture of I.B epididimitis.

لأننا كل واحد منكم فإن الشيطان يأكل بالشهوات "رواه مسلم"

19

اختبر نفسك

- 5) Give an account on aetiology and types of rupture urinary bladder.
- Sector E**
- 1) Give an account clinical picture of fractures.
 - 2) Give an account on clinical picture and complications of shoulder dislocation.
 - 3) Give an account on clinical picture and complications of fracture neck of femur.
 - 4) Give an account on clinical picture of Pott's disease of spine.
 - 5) Give an account on Ewing's tumor of bones.

Nov. 2010

Paper 1

3 hours

General instructions

- The exam. includes 5 sectors A, B... & E each one is 5 questions, only 4 in each sector to be answered. The answer of each questions must not exceed one page with writing in all lines.
- Unnecessary answer will be ignored
- 9 marks are allocated for each question

Sector A

1. Discuss blood supply of colon and rectum - surgical importance
2. Discuss anatomy of esophagus
3. Discuss clinical picture and TTT of anorectal abscess
4. Enumerate causes of dysphagia and investigations
5. Discuss trachea-esophageal fistula

Sector B

1. Enumerate complications of duodenal ulcer and discuss one of them
2. Types and complications of gallstones
3. Discuss pyogenic liver abscess
4. Discuss acute gastric dilatation
5. Gastrostomy types and indications

Sector C

1. Discuss pancreatic pseudocyst
2. Splenomegaly causes and clinical characters
3. Give an account on Meckel's diverticulum
4. Discuss clinical pictures and investigations of infantile intussusception
5. Discuss pathological types and clinical pictures of tuberculous peritonitis

Sector D

1. Discuss hypospadias
2. Discuss urinary blood injuries
3. Discuss torsion of the testis
4. Discuss management of prostatic carcinoma

"من خرج في طلب العلم فهو في سبيل الله حتى يرجع" رواه الترمذي

5. Discuss hydronephrosis

Sector E

1. Discuss shoulder dislocation
2. Discuss delayed local complications of fracture around elbow
3. Discuss osteoclastoma
4. Discuss bone metastasis
5. Discuss bone cyst

Nov. 2010

Paper 2

3 hours

Sector A

1. Give an account on management of septic shock
2. Give an account on clinical pictures and TTT of carbuncle
3. Give an account on complications of blood transfusion
4. Give an account on etiology and pathology of hydatid disease
5. Give an account on life cycle of bilharziasis.

Sector B

1. Give an account on management of varicose vein of lower limb
2. Give an account on basal cell carcinoma of the face
3. Give an account on clinical picture and TTT of salivary calculi
4. Give an account on clinical features and TTT cervical rib
5. Discuss DD of cysts of floor of the mouth.

Sector C

1. Discuss investigations of breast lump
2. Give an account on TTT advanced breast cancer
3. Give an account on clinical picture and investigation of retrosternal goitre
4. DD of solitary thyroid nodule
5. Thyroid development disorder

Sector D

1. Give an account on staging of breast cancer
2. DD of oblique inguinal hernia

لا تستج من إعطاء القليل فإن الحرمان أقل منه

31

أسرة الفجر

أسرة الفجر

32

{ من استطاع منكم أن يرفع أخاه قليلاً } أخرجه مسلم

3. DD neck fistula
4. Give an account on types of spina bifida
5. Give an account on clinical picture and TTT of brain abscess

Sector E

1. Give an account on management of pneumothorax
2. Give an account on clinical picture and TTT cardiac arrest
3. Give an account on clinical pictures and TTT of acute emphysema
4. General principles in TTT of hand infections
5. Investigations and TTT of cervical tuberculous lymphadenitis

أهداف الأخوان المسلمين

١. القدر المسلم لتبني أخيه مقومات القدر المسلم
٢. تكوين البيت المسلم بالحفاضة على آداب الإسلام في مظاهر الحياة المنزلية، وحسن اختيار الزوجة وحسن تربية الأولاد ونشئهم على مبادئ الإسلام.
٣. إرشاد المجتمع، بنشر دعوة الخيرية، ومعارضة الرذائل والمكرات، ونشجيع الفضائل، والأمر بالمعروف، والمبادرة إلى فعل الخير، وكسب الرأي العام إلى جانب الفكرة الإسلامية، وصنع مظاهر الحياة العامة بها دائماً، وذلك واجب كل أخ على حدة، وواجب الجماعة كهيئة عاملة.
٤. تحرير الوطن بتخليصه من كل سلطان أجنبي. غير إسلامي. سياسي أو اقتصادي أو ديني.
٥. إصلاح الحكومة حتى تكون إسلامية يحق، وبذلك تؤدي مهمتها كخدام للامة وأجر عندما تعامل على مصلحتها ومن صفاتها: الشعور بالتعبية، والشفقة، على الرعية، والعدالة بين الناس، والشفقة عن المال العام، والاقتصاد فيه.
- ومن واجباتها: صيانة الأمن، وإنقاذ الشانين، ونشر التعليم، وإعداد القوية، وحفظ الصحة، ورعاية المرافق العامة، وتنمية الثروة، وحراسة المال، وتقوي الأخلاق، ونشر الدعوة.
- ومن حفيها: متى أدت واجباتها: - الولاء والطاعة، والمساعدة بالنفس والأموال، فإذا قصورت: فالتمسح والإرشاد، ثم الخلق والإيجاد، ولا طاعة لمخلوق في معصية الخالق.
٦. إعادة الكيان الدولي للامة الإسلامية، بتحرير أوطانها وأحياء مجدها وتقريب ثقافتها وجمع كلمتها، حتى يؤدي ذلك كله إلى إعادة الخلافة المفقودة والوحدة المنشودة
٧. استنادية العالم بنشر دعوة الإسلام في ريوته
٨. ولن نياس أبداً، ولنا في الله أعظم الأمل (والله غايب على غيره ولكن أكثر الناس لا يؤمنون) (يوسف: ٢١)
